RE: Front End Developer

Dear Recruiter,

Upon learning about the Front End Developer posting, I was eager to contact you with my interest. When reviewing the job description, I was excited to see how well my experience aligns with your company's needs and position requirements. From reading your company's website, I feel your core mission and culture suit what I offer as a professional.

I honestly believe that this job is what I was meant to do. It's the perfect match for my skills, experience and interests.

My attached resume shows the highlights from my years of professional experience.

As an adept React Developer, I have a well-rounded skill set in debugging and honed talents in time estimation and UI updates, making me an ideal fit for the Front End Developer position. Further, I am a recognized expert in communication and a communicative collaborator. My previous roles have strengthened my capabilities in collaboration and problem-solving, including a keen attention to detail and accuracy.

I am excited at the prospect of bringing my talents. I look forward to hearing from you, at your earliest convenience, to discuss how my experience and qualifications will prove valuable in the Front End Developer role.

My educational background has given me a solid understanding of Front-end. And my on-the-job training has given me the opportunity to master the skill. I am eager to apply my training as Front End Developer for reputable.

You may notice a gap in my employment while reviewing my resume. During this period, I elected to take a leave from the workforce in order to go back to school. The time that I was able to commit to my education has been invaluable to my professional growth, and I am eager to re-enter the professional sphere and apply my newfound qualifications and knowledge to the job.

Thank you for your time and consideration.

Sincerely,
Johnson Jide
